### **EDUCATION**

---

<b>March 2010</b>	<b>Ph.D. Candidate, Department of Psychology, College of Arts and Sciences, Vanderbilt University, Nashville, TN</b> Program: Clinical Psychology <i>Major Professor: Dr. Bunmi O. Olatunji</i>
<b>August 2007</b>	<b>Master of Science, Department of Psychology and Human Development, Peabody College, Vanderbilt University, Nashville, TN</b> Program: Cognitive Science, Awards: Peabody Honor Scholarship <i>Major Professor: Dr. Craig A. Smith</i>
<b>June 2003</b>	<b>Master in Psychology, Department of Psychology, University of Leuven, Leuven, Belgium</b> Program: Clinical Psychology, Honors: Magna Cum Laude <i>Major Professor: Dr. Vera Hoorens</i>
<b>June 2000</b>	<b>Candidate in Psychology, Department of Psychology, University of Leuven, Leuven, Belgium</b> Honors: Cum Laude

### **PROFESSIONAL EXPERIENCE**

---

#### ***SUPERVISED CLINICAL EXPERIENCE***

<b>August 2009 - Present</b>	<b>Practicum Trainee, Private Practice of Dr. Daniel Rock, Harding Place, Nashville, TN</b> Provided marital therapy according to the Sound Marital House model by John Gottman as a co-therapist. Currently involved in weekly therapy session with 4 couples. Also conducted marital assessments as onset of marital therapy. <i>Supervisor: Dr. Daniel Rock</i>
<b>June 2009 - present</b>	<b>Practicum Trainee, Private Practice of Dr. F. Joseph McLaughlin, 218 Centerview Drive, Brentwood, TN</b> Provided individual and family therapy, using mainly CBT principles with clients ranging from 4 to 21 years of age, as lead therapist or co-therapist. Conducted psycho-educational assessments with children ranging from 6 to 17 years of age. <i>Supervisor: Dr. F. Joseph McLaughlin</i>

**August 2008 -  
May 2009**

**Practicum Trainee, Vanderbilt Intensive Sex Offender Program (VISOP),  
Vanderbilt Outpatient MHC Clinical Forensic Services, Psychiatric Hospital  
at Vanderbilt, Nashville, TN**

Worked as individual, family and group therapist with adolescents (ages 12-19) who had been charged with a sexual offense. Had primary responsibility over two patients, which involved conducting weekly individual therapy and family therapy every other week, as well as organizing court crisis meetings and s-team meetings. Engaged in bi-weekly group therapy (at Vanderbilt) with 5 different co-leaders and 16 adolescents. Participated in monthly staffing meetings with court representatives, probation officers and DCS workers. Participated in a family therapy seminar with in-vivo supervision. The VISOP program uses an attachment-based treatment model, with CBT components. *Supervisors: Dr. Jon Ebert, Dr. Tarah Kuhn*

**June 2008 -  
November 2008**

**Practicum Trainee, Private Practice of Dr. F. Joseph McLaughlin, 218  
Centerview Drive, Brentwood, TN**

Conducted psycho-educational assessments with children ranging from 2 to 23 years of age. Engaged in clinical interviews, test administration, scoring and interpretation, interpretive interviews, and report writing. Further worked as co-therapist with Dr. McLaughlin in individual and family sessions with children ranging from 5 to 23 years of age. *Supervisor: Dr. F. Joseph McLaughlin*

**January 2008 -  
May 2008**

**Practicum Trainee, Vanderbilt Forensic Services, Vanderbilt  
Psychiatric Hospital, Nashville, TN**

Provided neuropsychological and personality assessments to adult patients (40% forensic cases, 40% disability claims, 20% clinical/medical cases). Engaged in clinical interviews, test administration, scoring and interpretation, and report writing. *Supervisor: Dr. James S. Walker*

**June 2007 -  
August 2007**

**Clinical Interviewer, RECAP project, Vanderbilt Institute for Public  
Policy Studies, Nashville, TN**

Conducted structured interviews with children (2<sup>nd</sup> or 3<sup>rd</sup> grade) and their parents as part of evaluating the effectiveness of RECAP (Reaching Educators, Children And Parents), a multi-level CBT-based intervention program consisting of individual child therapy, group child therapy, parent training and teacher training. This intervention is specifically aimed at children with both externalizing and internalizing symptoms. *Supervisors: Dr. Bahr Weiss, Dr. Susan Han*

**September 2006 -  
April 2007**

**Group Therapy Assistant, "Making Connections", Women's Center,  
Vanderbilt University, Nashville, TN**

Assisted Dr. Fishel with her group therapy sessions for women with body image problems. These sessions took place once a week for one hour and included experiential, body-centered, and mindfulness components. Prepared for the sessions, ran part of the sessions or entire session, discussed clinical impressions/observations/concerns about group members with Dr. Fishel. *Supervisor: Dr. P. Tobi Fishel*

**September 2002 -  
May 2003**

**Clinical Psychology Intern, Outpatient Community Mental Health Center, Dendermonde, Belgium**

Worked in the Child, Adolescent and Family Unit of an outpatient mental health center for 34 weeks, working 30 hours a week. This internship consisted of: 85% therapeutic work (intake interviews, individual and family therapy sessions, group therapy sessions), 10% assessments (testing, report writing and communicating findings to parents), and 5% education (supervision, attending workshops). Clients ranged from 6 to 17 years of age and presented with a range of internalizing and externalizing problems. I applied individual and group cognitive-behavioral therapy, systemic therapy and play therapy, under supervision of therapists on site who were specialized in these respective treatment models. *Supervisor: Dr. Gaston Cluckers*

**RESEARCH EXPERIENCE**

**Fall 2007 -  
Present**

**Emotion and Anxiety Research Lab – Dr. Bunmi Olatunji,  
Vanderbilt University, Nashville, TN**

Engaged in literature review, experimental design, programming, data collection and data analysis, wrote an NSF grant application to further explore my main research question (Disgust, Morality and Punishment), submitted several abstracts for conference presentations. Research Topics: Disgust and moral judgment / Vulnerability factors of OCD

**Fall 2004 -  
Spring 2007**

**Emotion and Appraisal Research Lab – Dr. Craig A. Smith,  
Vanderbilt University, Nashville, TN**

Engaged in literature review, experimental design, programming, data collection and management, data analysis, and poster presentation, wrote a book chapter on social appraisals, wrote Master's Thesis. Research Topics: Appraisal Styles / Appraisals of coping potential via subliminal priming - Testing a Process Model of emotion-eliciting appraisals

**Fall 2001 -  
Spring 2003**

**Lab for Experimental Social Psychology – Dr. Vera Hoorens,  
University of Leuven, Leuven, Belgium**

Engaged in literature review, experimental design, data collection, data entry, data analysis, wrote Master's Thesis. Research Topic: Automatic Trait Transference

**TEACHING EXPERIENCE**

**TEACHING ASSISTANTSHIPS**

**Spring 2010  
Fall 2009  
Spring 2009  
Fall 2008  
Spring 2008**

PSY 208 – Experimental Methods – *Dr. Sean Polyn*

PSY 249 – Health Psychology – *Dr. David Schlundt*

PSY 209 – Quantitative Methods – *Dr. David Schlundt*

PSY 251 – Human Sexuality – *Dr. Leslie M. Smith*

PSY 2320 – Adolescent Development – *Dr. Vicki S. Harris*

<b>Fall 2007</b>	PSY 2320 – Adolescent Development – <i>Dr. Vicki S. Harris</i>
<b>Spring 2007</b>	PSY 2320 – Adolescent Development – <i>Dr. Vicki S. Harris</i>
<b>Fall 2006</b>	PSY 1500 – Cognitive Aspects of Child Development – <i>Dr. Georgene Troseth</i>
<b>Spring 2006</b>	PSY 2510 – Experimental Methods – <i>Dr. John Rieser</i>
<b>Fall 2005</b>	PSY 1200 – Brains, Minds, Context and Culture – <i>Dr. Craig A. Smith</i>

### **Responsibilities**

Helped compose syllabi, exams and assignments, taught lectures, led group discussion sessions, answered students' questions, gave review sessions, coordinated student research projects, graded exams and papers, managed the practical side of class.

### **OTHER TEACHING EXPERIENCES**

**May 2007 -  
May 2008**

#### **Teaching Affiliate for the Center for Teaching**

Participated in a two-week training to become a more effective teacher and to prepare for TAO (Teaching Assistant Orientation – a two-day workshop for new Teaching Assistants), attended several organizational meetings to prepare for TAO, led TAO with a cohort of 14 graduate students, maintained contact with the members of this cohort throughout the year (assisting them in their role as a TA). *Supervising Professors: Dr. Allison Pingree, Dr. Patricia Armstrong, Dr. Derek Bruff, Dr. Jeff Johnston*

**August 2006**

#### **Practice Teaching Leader for the Center for Teaching**

Facilitated sessions in which new Teaching Assistants practiced their teaching skills. *Supervising Professor: Dr. Derek Bruff*
