Huiyuan Miao

+1(608)698-4806 | huiyuan.miao@vanderbilt.edu

EDUCATION Vanderbilt University, the United States 08/2018-Present • Maior: psychology University of Wisconsin-Madison, the United States 09/2015-05/2018 • B.S. in statistics and psychology | GPA: 3.97/4.0 **RESEARCH EXPERIENCE** Graduate research trainee, Tong Lab, Vanderbilt University 08/2018-Present • Advisor: Frank Tong • Project: Investigating the guessing behavior in visual working memory tasks Designed different iterations of the behavioral experiment and collected data from human subjects • Project: Perceiving object in noise Designed different iterations of the EEG experiment and collected data from human subjects • Project: The effect of divided object-based attention on perceptual precision of faces and shapes Designed different iterations of the behavioral experiment and collected data from human subjects Undergraduate Research Assistant, the Rokers Vision Lab, UW-Madison 01/2016-05/2018 • Project: The relationship between subjective confidence and perceptual accuracy in threedimensional motion direction perception Recruited and conducted the experiment on over 100 human subjects Helped develop different iterations of the experiment • Project: The relationship between adult observers' head motion and perceptual accuracy

- in three-dimensional motion direction perception
 - Performed data analysis using MATLAB

PUBLICATIONS

Sy, J. L., Miao, H. Y., Marois, R., & Tong, F. (2021). Conscious perception can be both graded and discrete. *Journal of experimental psychology. General*. Fulvio, J.M., Miao, H. & Rokers, B. (2021). Head jitter enhances 3D motion perception. *Journal of Vision*.

LEADERSHIP EXPERIENCE

Vice President of Outgoing-Exchange Department, AIESEC (WEIHAI), China

06/2014-02/2015

- Arranged the work schedule for a team of 9 students
- Managed the service quality of the department by providing monthly training. In the monthly surveys of service quality, the average score of the department was 85/100
- Sent ten exchange participants abroad for volunteer work
- Ensured there would be at least three returnees for every AIESEC activity

Volunteer, GRACE NGO, India

• Worked as a teaching assistant in Camila Learning Center in Bangalore

WORK EXPERIENCE

Tutor, Undergraduate Learning Center (ULC), College of Engineering, UW-Madison

01/2017-05/2018

- Provided statistics consultation during the drop-in time in ULC
- Provided one-on-one statistics tutoring
- Tutored the Introductory MATLAB course

AWARDS AND SCHOLARSHIPS

Harold Stirling Vanderbilt Award	08/2021-08/2023
University Graduate Fellowship	08/2018-08/2021
Bryan's Aspiring Psychology Student Award	07/2016
Psychology department's Undergraduate Research Scholar Awards	04/2016

TECHNICAL SKILLS

Computer Skills

- OS: Mac OS, Windows
- Languages: MATLAB, R, Python, JAVA
